

AMBER FABRIC

The Professional Manufacturer

www.amber-fabric.com

FOCUS ON PRODUCTION, DESIGN
OF MEDIUM AND HIGH-END
LACE, EMBROIDERY, SEQUIN

RUZHOU CHINA
2026

Procurement directly from factory

OUR BUSINESS INCLUDE:

- Embroidery fabric
- Lace fabric
- Sequin fabric
- Top grade dress fabric
- Wedding Dress Collection
- Clothing Collection
- Customization

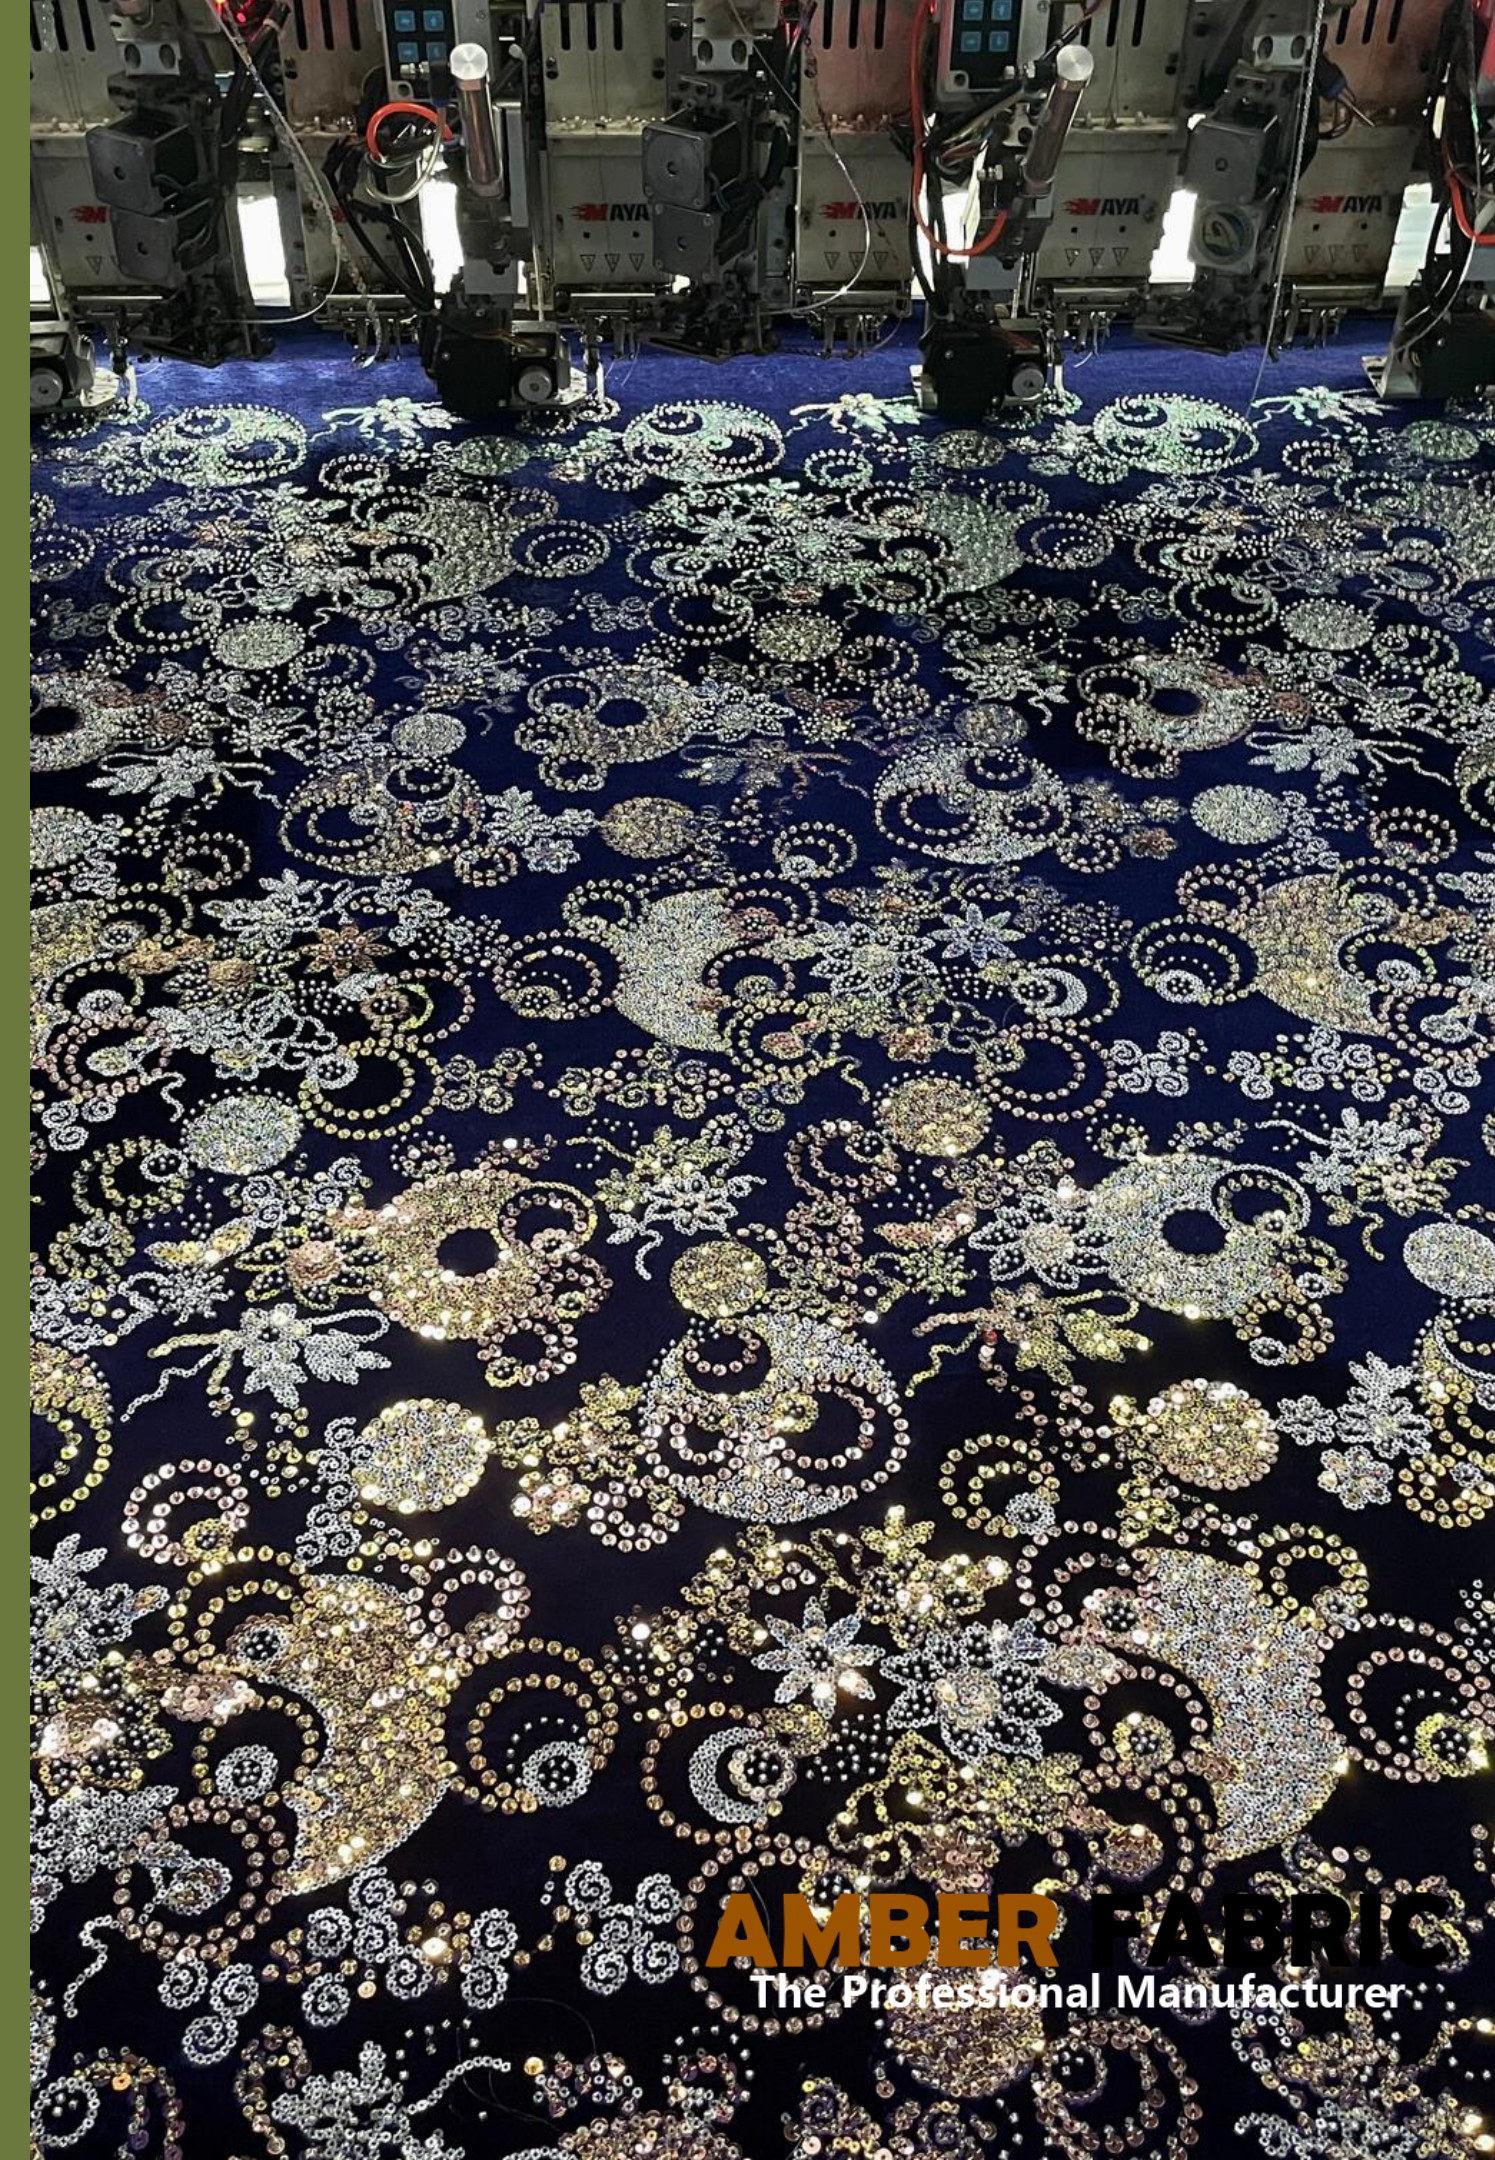

AMBER FABRIC
The Professional Manufacturer

Who is **AMBER** FABRIC?

COMPANY PROFILE

The factory park covers an area of 60,000 square meters and is composed of 76 workshops with 670 front-line workers. The park is mainly engaged in the production and processing of embroidery, sequin and lace.

Different from other areas, we have our own industrial parks, internal roads, and our own logistics and delivery stations. Every day, we deliver products fabrics to all over the world.

AMBER FABRIC
The Professional Manufacturer

OUR GOAL

“Focus on production and quality, make factory direct sales become new trend

AMBER FABRIC

AMBER FABRIC
The Professional Manufacturer

Product quality inspection and control:

1

Machine inspection

Automatic detection of machine production, automatic alarm for thread breakage

2

100% Manual inspection

Manual inspection, do not miss any detail

3

Random inspection

Random inspection before leaving the factory, so that the product quality can stand the test

OEM/ODM Customize

CUSTOMIZED SAMPLE SENDING PROCEDURE

1

Component Analysis

Our design department will analyze the fabric and issue a composition and process analysis report.

2

Pattern Making

According to your pattern, our pattern maker will make image modeling through computer, and make the process of machine embroidery with computer.

3

Make samples

We use the same or similar material as your sample for machine proofing.

4

Checking And Delivery

We will confirm with you the produced samples. Book shipping space and send out immediately after your confirmation that everything is correct.

5

Confirmation / Mass Production

After you confirm that you are satisfied with the sample, we can quickly carry out mass production according to the previous information, allowing you to seize the market opportunity.

CLOTHING/ACCESSORIES/FABRIC FACTORY

- **Short Lead Time**

Unlike other China production factories that only have one or two workshops, we have 76 large-scale production plants and 330 automatic CNC production equipment, which can provide customers with stable and high-quality products continuously. Lead time is strictly guaranteed.

- **Complete Certifications**

Our production strictly follows ISO and CE standards, and can provide top customers with OEKO TEX certificate, organic cotton certification and other necessary ones for market development. The factory plants meet the China low-carbon environmental protection requirements, and the factory area has a lot of plants.

- **Flexible Production**

We can produce several colors or patterns of a product at the same time, which is several times the production efficiency of general factories, and our minimum order quantity is lower than that of competitors, helping enterprises to explore market better and faster.

- **More Competitive Prices**

We adopts factory direct sales, without trading companies and middlemen. Our price is closer to the material costs; A large number of orders can significantly reduce other costs, and it has an excellent advantage for large-scale production enterprises to purchase.

AMBER FABRIC
The Professional Manufacturer

SHOP OWNER/SELF-EMPLOYER

- **LOW ORDER QUANTITY**

Unlike general factories who require you to purchase a large number of orders for a single pattern, we suggest that you adopt the model of more patterns with less stock quantity, so as to let you provide better service to your customer, increase your order, working capital, and makes business easier.

- **FLEXIBLE DELIVERY**

Our industrial park has its own logistics system, which can deliver goods to every trade port in China. At the same time, we have multiple delivery methods, such as international express UPS, DHL, TNT, FedEx, EMS, SF Express, China-Europe freight trains, shipping export etc.

- **ADEQUATE STOCK**

We are the only factory that integrates production, design and sales in the sector. We have a database of lace, sequin, embroidery patterns, and we have inventory of some patterns, allowing you to start your business at a very low cost.

- **FLEXIBLE PAYMENT**

In addition to direct company transactions, we also support main payment methods, such as paypal and Western Union. We aim to try our best to reduce your difficulties in the early stage and let you to fully explore the new market.

DESIGNER

- LOW ORDER QUANTITY

Unlike general factories who require you to purchase a large number of orders for a single pattern, we suggest that you adopt the model of more patterns with less stock quantity, so as to let you provide better service to your customer, increase your order, working capital, and makes business easier.

- MATERIAL SELECTION

A good design is important, but in order to have a better end-use using effect, it is inseparable from the selection of the right material and production process.

- PROFESSIONAL ADVICE

From design to making sample to mass production ,we need continuous adjustment and professional technical support to provide you with more comprehensive improvement suggestions .In terms of pattern, we will also provide you with easier optimization suggestions based on previous production experience.

- FAST MASS PRODUCTION

Participated in the whole processes of design and making sample, we have experience that our competitors do not possess, plus our own strong production strength.

Embroidery Fabric

Embroidery is the craft of decorating fabric or other materials using a needle to apply thread or yarn. Embroidery may also incorporate other materials such as pearls, beads, quills, and sequins. In modern days, embroidery is usually seen on caps, hats, coats, overlays, blankets, dress shirts, denim, dresses, stockings, and golf shirts. Embroidery is available in a wide variety of thread or yarn colour.

Sequin Fabric

Sequin Fabric is a fabric covered with plastic or metal shaped pieces. Sequins vary in size, shape and color. They can be glossy or matt, reversible or single-sided. The most popular base fabrics include tulle or chiffon.
